

Free Resources for Encouraging Faith in Jesus

We want to make you aware of resources for inspiring faith in Jesus. Many of you are already familiar with *Jesus the Same* (the DPI printing of *The Character of Jesus*, by Charles Edward Jefferson). Debbie and I have edited and used AI tools to present the same material (including some chapters that DPI left out) in a form more familiar to today's readers and listeners than the original wording of the 1908 printing. We have also generated audio versions both in English and in Spanish. All of these resources listed below are FREE and can be freely shared with others except for those formats sold on Amazon or Google Play Store.
